

EQUAL OPPORTUNITY POLICY

(Includes Anti-Discrimination)

The whole of Department Equal Opportunity (and Anti-Discrimination) policy has recently been updated and is now available on [HR Web - Equal Opportunity](#). This policy applies to **all Department workplaces including schools**.

Schools should **not** develop local policies on Equal Opportunity for staff but instead should follow the whole of Department policy.

This policy was last reviewed and approved by school council in Tuesday 23rd June 2020 and is scheduled for evaluation and review in June 2024.
